

ABOUT OUR SERVICES:

We follow a stringent in-depth application process with all our service providers. Ensuring that you can rest assure your care home staff provider is most qualified to meet your needs.

- ✓ All of our staff are enhanced DBS checked to ensure they are fit to work with vulnerable people. Thorough background checks along with educational and employment histories are screened.
- ✓ We provide registered general nurses(RGN), Social care assistants and health care assistants (HCA) for residential and nursing care homes. We ensure our staff have not only the clinical theory but are supported to be clinically competent in the delivery of specialist care to you.

At A&J care Ltd., we take pride in entrusting our clients with our optimum efficient staff who can provide responsive, competent and excellent service. The silver lining of our staffing policy is "Put your employees first" in any aspect of business if the staff are well taken care of they in turn take good care of the clients and thus the business thrives.
